Driver Bio:

I am a 17 year-old, grade 11 student attending Stayner Collegiate Institute. I have raced for 10 years in Go-Karting and Stock cars. I also play on many sports teams. Including hockey, Golf, Baseball, Volleyball and other school sports. I

started racing when I was 7 and competed very highly at my local Go-Kart track. I moved into pure stock when I was 13 and learned very quickly how to race. I won the 3rd race I ever raced in and went on to win 3 more throughout the year. I have raced 2 full years of Late Model racing since. Competing in ACT (American-Canadian Tour) races and traveling to many different tracks. My goal is to race in a higher level then I'm in now and compete very well. ASA Late Model Series or NASCAR Canadian Tire Series would be my goal for the 2010 season.

Brandon Watson

Marketing and Promotional Experience:

Some sponsors that I have represented are Shear Metal Products, Ken Mackinnon Construction, Logel's Autoparts, Spira Fire Protection. I have also driven a house car for McColl Racing Enterprises. I would be a good, marketable driver because I can speak well to an audience or crowd. I also can get your name into victory lane.

Brandon Watson

Awards, Certifications, and Programs

2nd in Spencer
Lewis Power
Rankings

**2007 Up and Coming
