

Adam Leslie continues partnership with Westpier Marine and Industrial and Lazy Lakes Camping Resort:

April 7th, 2010 - Port Colborne, Adam Leslie has partnered up with past sponsors again for the 2010 racing season.

Just a couple weeks before the season is to begin, sponsors are still coming back to support Adam Leslie in the 2010 racing season. These sponsors include Westpier Marine and Industrial for their fifth consecutive year and Lazy Lakes Camping Resort for their fourth consecutive year.

WestPier Marine & Industrial Supply offers the North American Marine Industry the most complete chandler services in the Great Lakes and St Lawrence Seaway. With their recent acquisition of Millen Marine, they have increased their customer and supplier base to levels that allow them to offer the best pricing, and service capabilities in the industry. Their Marine customer base consists of the largest private and publicly held shipping companies in the country.

WestPier Marine & Industrial Supply is located at 577 Elm Street, in Port Colborne, Ontario. Their locations are equipped with over 20,000 square feet of warehouse space which encloses a vast inventory of 14,000 marine and industrial supplies. They encourage their customers to utilize our purchasing department to research product needs using their network of over 1,000 vendors, and to respond to any inquiries or problems they may have. Their delivery services operate 24 hours per day, 7 days a week, complimented with a full fleet of delivery vehicles. WestPier also offers same day product shipping capabilities for in stock items to anywhere in Canada and the US.

West Pier Marine and Industrial can be found at, www.westpier.ca.
