The Good Neighbor Program, inc.

Dear Lake County Neighbors,

Save the date!

Saturday, May 15th

The Good Neighbor Program has teamed with The Great American Bake Sale for a Celebrity Event in effort to End Childhood Hunger in our community. Local News Personalities and Sports Celebrities will be V.I.P. Servers at *"GATORS Dockside"* (in Clermont) from 11am-3pm. We can guarantee lots of yummy treats and a good time.

Our Celebrity Event is part of Share Our Strength's Great American Bake Sale®, a national effort to end childhood hunger in America. Today, **one in four** children is at risk of hunger. They go to bed hungry at night and go to school without breakfast. Without regular, nutritious meals children are unable to thrive in school and after-school activities. Share Our Strength is committed to ending childhood hunger by funding feeding programs across the country that hundreds and thousands of kids depend on.

If you can't make it to the bake sale please consider making an online donation to show your support.

- Just \$10 can help feed a child at risk of hunger for one month.
- Just \$25 can help provide two nights of shelter for a mother and her child.
- Just \$50 can help provide lunch to 48 children in preschool for one day.
- Just \$100 can help provide 25 bags of nutritious foods for toddlers whose parents rely on food banks.

Hope to see you there!

Sincerely,

Dianne Garvis

Founder of The Good Neighbor Program, Inc.
